FY 2020-2021. On November 6, 2018, registered voters of the City of San José approved Measure T, the San José Public Safety and Infrastructure Bonds, authorizing the issuance and sale of general obligation bonds (PSI Bonds) not to exceed \$650,000,000 to be used to fund the cost of land or improvement of land of, without limitation, the following categories of projects: Traffic, Public Safety, Storm Sewer, Municipal Improvements, and Parks & Community Facilities. The Community Oversight Committee (COC) was authorized as a result of the approved San José City's Measure T bond measure that provided for Community Oversight of the expenditure of the bonds.

The FY 2020-2021 oversight effort is scheduled to start in December 2021.
